The diagram shows a rectangular window with several input fields and dropdown menus. At the top are fields for 'Printer Name', 'Printer Location', and 'DNS Name'. Below these are dropdown menus for 'Manufacturer' (set to 'Hewlett Packard') and 'Model' (set to 'HP100XP'). Underneath is a section for 'Properties' with checkboxes for 'A3' and 'A4'. Further down are checkboxes for 'Colour' and 'Fast Print'. Two empty rectangular boxes are at the bottom. A horizontal line labeled '40b' points to the left edge of the window. An arrow labeled '26' points to the top right corner of the window.
